

# SKILL YOUR WORKFORCE WITH US

## OUR COMMITMENT

We recognise that our clients are different; therefore no two programs are the same.

With a diverse and flexible approach to delivery and assessment, we are able to provide services on the client's site to ensure limited disruption to operations of their business.

## CLEANING SERVICES SKILLS TRAINING

### Valued Partnerships

Our commitment to the management of our client partnership is second to none. Rexcel Training management operates within a disciplined and responsive framework to ensure that our client requirements, needs and expectations are not only met, but exceeded. We understand that no two businesses are the same and will work in a close partnership to ensure that each business's individual needs are managed.

### Tailored Service Delivery

We understand that relevance is key to a successful Training program, that's why Rexcel Training ensure that any training delivered to our clients is relevant to their industry, the employer and the student. We take the time to know our employers, know their business, and tailor training and assessment services to ensure that our services remain fluent with our client's operation and strategic direction.

### Experienced Industry Trainers

At Rexcel Training, we believe skills are better learned from industry experts, people who have experience over many years using the skills and knowledge required to perform at their best in their roles. That's why our training and assessment team are straight from industry roles. What this means for our clients, is the assurance that the skills we deliver are up-to-date, relevant and effective.

RTO CODE: 1044

## BUSINESS SERVICE MODEL

Rexcel Training's business model is to design and deliver courses based on employer requirements and specifications.

Courses are tailored in partnership with employers to ensure qualifications are built and implemented to meet industry, employer and employee needs. This means, no courses are developed the same and employers do not receive a generic program.

Rexcel Training's range of qualifications have been endorsed by employers and are frequently validated to ensure they are up-to-date and industry responsive.

## CPP30316 | CERTIFICATE III IN CLEANING OPERATIONS

This qualification reflects the role of cleaners responsible for undertaking a range of routine and non-routine tasks according to work schedules, liaising with clients and in some cases members of the public, and operating in a range of general residential and commercial settings as well as specialist cleaning environments.

### COURSE CONTENT OVERVIEW

The Certificate III in Cleaning Operations requires your employees to complete 14 units of competencies to achieve a full certificate. Skill and knowledge outcomes include:
